Baumann Bros., BLACK GOODS (Second Floor).

Mrs. Fannie Forethought, Somewhere up in Harlem. Dear Madam: When your husband's salary was cut 15 per cent last winter, you both agreed that the old Furniture would have to do another year. But you expect your sister and family on this summer, and you really need new, don't you?

Why not get it and have the good of it, paying along as your husband can afford? We know he is honest and you are economical. You know we are accommodating and disposed to be helpful.
